

Annual Activities (2025-26)
Department Of Economics
GDC Darlaghat

1. Introductory and Ice-Breaking Lecture (Beginning of the Session).

At the commencement of the academic session, an introductory and ice-breaking lecture was conducted. The teacher introduced himself to the students and discussed the basic goals, objectives, and expected learning outcomes of the course. The session helped create a friendly and interactive classroom environment.

2. General House Meeting – 22/07/2025.

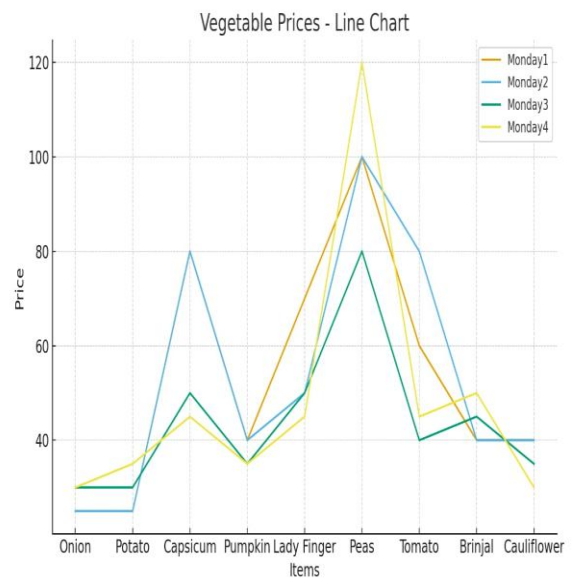

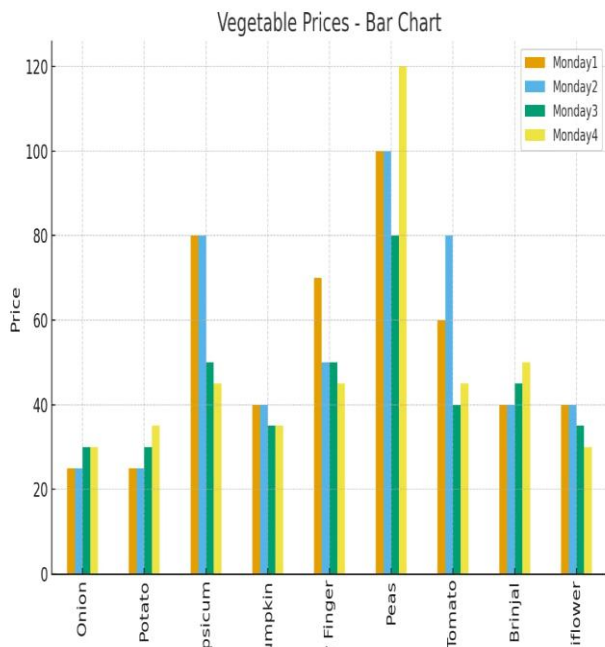

A General House meeting was held on 22 July 2025, during which the *Ecoholics Society* of the Department of Economics was formally constituted. The objectives and planned activities of the society were explained to the students. Office bearers were selected to ensure the smooth functioning of the society.

3. Small Research Project (October).

Student interacting with respondents during primary data survey

In the month of October, a small project was assigned to second-year students to provide practical exposure to the subject. Students studied the behavior of the local vegetable market over the past month. This activity enhanced their understanding of real-life market dynamics and price fluctuations.

4. International Day for the Eradication of Poverty – 17 October.

On 17 October, the Ecoholics Society observed the International Day for the Eradication of Poverty. Mr. Akshay Kumar, Assistant Professor, delivered a brief lecture through a PowerPoint presentation. The session highlighted the causes, impacts, and possible measures to reduce poverty.

5. Interclass Quiz Competition – 8 December 2025.

On 8 December 2025, an interclass quiz competition was organized jointly by the Departments of Commerce and Economics. The event encouraged healthy academic competition among students. It enhanced their knowledge, confidence, and teamwork skills.
