

Criterion 1

2. Curriculum Planning and Implementation:

Structured and Innovative Learning

At GDC Darlaghat, planning ahead is key to integrating a variety of engaging activities into our teaching. Our teaching schedule, complete with annual action plans, timetables, and academic calendars, is meticulously prepared well in advance. This ensures alignment with the university's annual plan.

To streamline teaching and learning, we define learning outcomes for each department and course early on. We incorporate several curriculum enrichment practices, such as surveys, educational tours, industry-academia collaborations, and field visits to promote practical learning.

Our internal assessment mechanism follows university guidelines, including MTT, class tests, home assignments, and attendance. Beyond these, our teachers are encouraged to employ continuous evaluation methods like quizzes, presentations, and peer reviews.

We ensure timely communication of class test results and MTT assessments, providing students with valuable feedback to aid their academic progress.

By combining thorough planning with innovative teaching methods, we strive to make learning exciting, relevant, and up-to-date.

Impact of tourism on local economy of Manali and Lahaul Himachal Pradesh

Questionnaire designed to assess the impact of tourism on the local economy of Manali and Lahaul, Himachal Pradesh, using a 5-point Likert scale.

Questionnaire on the Impact of Tourism on the Local Economy

Instructions: Please indicate your level of agreement with the following statements regarding the impact of tourism on the local economy by selecting one of the options:

- 1 = Strongly Disagree
2 = Disagree
3 = Neutral
4 = Agree
5 = Strongly Agree

1. Tourism has increased job opportunities for local residents.
a. = Strongly Disagree
b. = Disagree
c. = Neutral
d. = Agree
e. = Strongly Agree

2. Tourism contributes significantly to the local government revenue.
a. = Strongly Disagree
b. = Disagree
c. = Neutral
d. = Agree
e. = Strongly Agree

3. Local businesses benefit economically from the influx of tourists.
a. = Strongly Disagree
b. = Disagree
c. = Neutral
d. = Agree
e. = Strongly Agree

14. Tourism supports local agriculture by providing markets for products.
a. = Strongly Disagree
b. = Disagree
c. = Neutral
d. = Agree
e. = Strongly Agree

15. The benefits of tourism are evenly distributed among the local population.
a. = Strongly Disagree
b. = Disagree
c. = Neutral
d. = Agree
e. = Strongly Agree

Demographic Information (Optional)

Age:

Gender:

Occupation:

Duration of residence in the area:

Conclusion

Thank you for your participation! Your responses will help us understand the impact of tourism on the local economy of Manali and Lahaul.

4. Tourism leads to an increase in the cost of living for residents.

- a. = Strongly Disagree
b. = Disagree
c. = Neutral
d. = Agree
e. = Strongly Agree

5. Tourism has encouraged the development of local infrastructure (roads, transportation, etc.).

- a. = Strongly Disagree
b. = Disagree
c. = Neutral
d. = Agree
e. = Strongly Agree

6. Seasonal tourism affects the stability of local employment.

7. = Strongly Disagree
8. = Disagree
9. = Neutral
10. = Agree
11. = Strongly Agree

12. Cultural heritage and local traditions have been positively impacted by tourism.

- a. = Strongly Disagree
b. = Disagree
c. = Neutral
d. = Agree
e. = Strongly Agree

13. Tourism has led to environmental degradation in the region.

- a. = Strongly Disagree
b. = Disagree
c. = Neutral
d. = Agree
e. = Strongly Agree

Report of Education Tour to Manali and Lahaul through Atal Tunnel w.e.f. 27/10/2024 to 29/10/2024

Embarking on an education tour to Manali and Lahaul via the majestic Atal Tunnel, organised by Government degree College Darlaghat was an exhilarating experience that combined learning with thrill. Our group consisted of 22 final year students, worthy Principal ma'am and 6 staff members. Our journey took us through breathtaking Himalayan landscapes, where we discovered the resilience of local communities and the ingenuity of governance initiatives.

The Atal Tunnel, which connects Manali to Lahaul, is an engineering marvel that we witnessed. We learned about the tunnel's construction, which was a remarkable feat of engineering that has transformed the lives of the local population.

As we traversed the rugged terrain, our group engaged in lively discussions on development, sustainability, and national security. Interacting with local officials, experts, and residents provided invaluable insights into the complexities of border region development. We learned about the challenges faced by the local population, including limited access to education, healthcare, and economic opportunities in

As part of our social responsibility initiative, our NSS volunteers organized a cleanliness drive and tourist sensitization program at the Atal Tunnel. We cleaned up the surrounding areas and educated tourists about the importance of maintaining cleanliness and respecting local environments. This initiative not only helped to maintain the beauty of the tunnel but also promoted a sense of responsibility among tourists.

We also had the opportunity to visit the picturesque town of Sissu, where we experienced the thrill of zip lining over the river Chandra, boating in the Sissu lake and trekking to a nearby waterfall. Soaring through the valleys and taking in the majestic views of the Himalayas was an exhilarating experience that we will never forget.

We also visited the famous Hiddimba Temple in Manali, dedicated to the goddess Hiddimba, wife of Bhima from the epic Mahabharata. The temple's unique architecture and serene surroundings left us in awe.

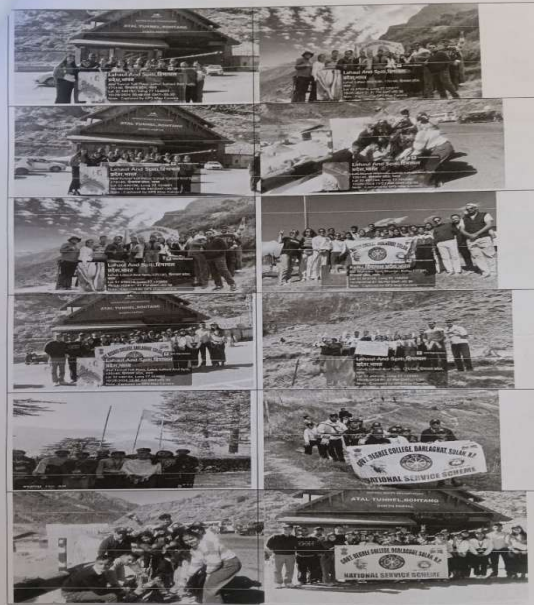

Another cultural highlight of our trip was the visit to the Rodricks Art Gallery at Naggar. The gallery showcased an impressive collection of artwork by renowned artist Nicholas Roerich and his family. We were struck by the beauty and spirituality of the artwork, which reflected the artist's deep connection with the Himalayas and its people.

One of the highlights of our trip was the trekking expedition to the Bijli Mahadev temple in Kullu. The 3-kilometer trek through the dense forest was a thrilling experience that tested our physical endurance and teamwork. The breathtaking views of the surrounding mountains and the serene atmosphere of the temple made the trek truly unforgettable.

Throughout our journey, we were struck by the natural beauty of the Himalayas and the resilience of the local population. We realized that development in border regions is a complex challenge that requires a multifaceted approach. Our interactions with local officials and experts provided us with valuable insights into the initiatives being taken to promote sustainable development in the region.

In conclusion, our education tour to Manali and Lahaul was an enriching experience that combined learning with adventure. We gained valuable insights into the complexities of border region development and the initiatives being taken to promote sustainable development. The experience also taught us the importance of teamwork, adaptability, and critical thinking. We returned with unforgettable memories and a newfound appreciation for the beauty and complexity of the Himalayas.

PROJECT WORK & EVALUATION

1. CHRONICLES OF INDIAN HISTORY

On 21st December 2024, the Department of History & the Sanskrit Department organized an exhibition titled "Chronicles of Indian History" in L.H.S. ground at 10:30 a.m.

Students of first & second year (History) participated in the exhibition. Students had earlier been entrusted with groups of 2-4, and were given two weeks to work on models & charts on historical aspects of their choice. Today the models & charts were put on display. The project was evaluated in minutes. Some 20 students participated in the exhibition, & about 10 models were presented.

Respected Professor Dr. Margaret Robinson, Resident Professor Dr. V. C. Sharma & Assistant Professor Dr. Pankaj Mishra were the judges for the exhibition. Certificate were given to few staff. Some models & charts.

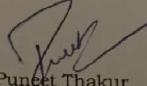

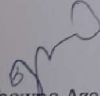

Such activities arrange "Learning by doing" & is a great way to learn history for a lifetime.

Dr. Jai Parkash Sharma

v. **Prompt communication of assessment /result to students**

As the class size of each course is small, the teachers are given one day to submit the score of the Mid Term Test within one day as evident from the record maintained by CoE. The intermittent days are also used for evaluating the answer scripts. The result is also displayed on the notice board and announced in the classrooms and feedback is given to each and every student. To convey the score of class test and MTT test on college notice board and in subjects whatsapp groups is routine practice of the college.
