

5.2 Special initiative Taken for

- **Energy conservation**

The college promotes energy conservation through its active Energy Club, which spreads awareness about saving electricity among students and staff. The campus has replaced traditional lighting with energy-efficient LED bulbs to reduce power consumption. It also organizes “Switch-Off Drive,” on 27 September 2024 encouraging everyone to turn off lights, fans, and other electrical appliances when not in use. These initiatives help minimize energy wastage and promote a culture of sustainability on campus. (Verifiable from Energy Club Register)

- **Solid waste Segregation/Management**

The college follows proper solid waste segregation and management practices to maintain cleanliness and environmental sustainability. Separate dustbins are placed across the campus for dry and wet waste to ensure effective segregation at the source. The collected waste is regularly taken away by the sanitation workers of Gram Panchayat Darlaghat for proper disposal. These efforts help maintain a clean campus and promote responsible waste management among students and staff. (On site verification)

- **Plastic free Campus**

The college promotes a plastic-free campus by encouraging students to avoid single-use plastic bottles. Water coolers are installed on the campus, allowing students to refill their own water bottles instead of purchasing packaged drinking water. This initiative significantly reduces plastic waste and fosters environmentally responsible habits among students. (On site verification)

Adoption of Educational institutions

The college has adopted Saraswati Vidya Mandir Darlaghat, Government Senior Secondary School Darlaghat, Government Senior Secondary School Dundhan, and Govt. Senior Secondary school Navagaon to promote academic collaboration. The initiative includes resource sharing such as library access, learning materials, and faculty exchange. This partnership strengthens educational quality and community engagement in the region. (Verifiable from MoU file)

Memorandum of Understanding (MoU)
